

FESIK - FEDERAZIONE SPORTIVA ITALIANA KARATE

Jesolo, 22nd July, 2.008.

INVITATION

2nd WUKO - Karate World Championship Youth, Cadet and Junior

Dear Friends:

On the next October in Jesolo (Italy), a few kilometres away from Venice, is taking place the 2nd WUKO - Karate World Championship Youth, Cadet and Junior.

For our federation, the **FESIK - FEDERAZIONE SPORTIVA ITALIANA KARATE**, it is a great honour, but above all a pleasure, to see old friends again and to get to know other people within an organization, which in a few years, thanks to the leadership of our friend, President Osvaldo Messias de Oliveira, has become one of the biggest and best structured organization in the whole world.

Italy, Venice and Jesolo are waiting for all of you and are preparing a great sport week: we will do our best to offer to everyone the highest assistance and to organize an event in which competitors will have the possibility to express their technical qualities at their best.

As far as the logistics is concerned, we invite you to contact:

info@promojesolo.it, Ms. Donatella, our organizational office for hotel booking;
samurai@publicationspromotion.it, Ms. Norma, for visas and invitation cards;
presidenza.fesik@tiscali.it, the FESIK secretary's office for any other question.

I wish you all great sporting success and nice holidays.

Best regards.

Carlo Henke
